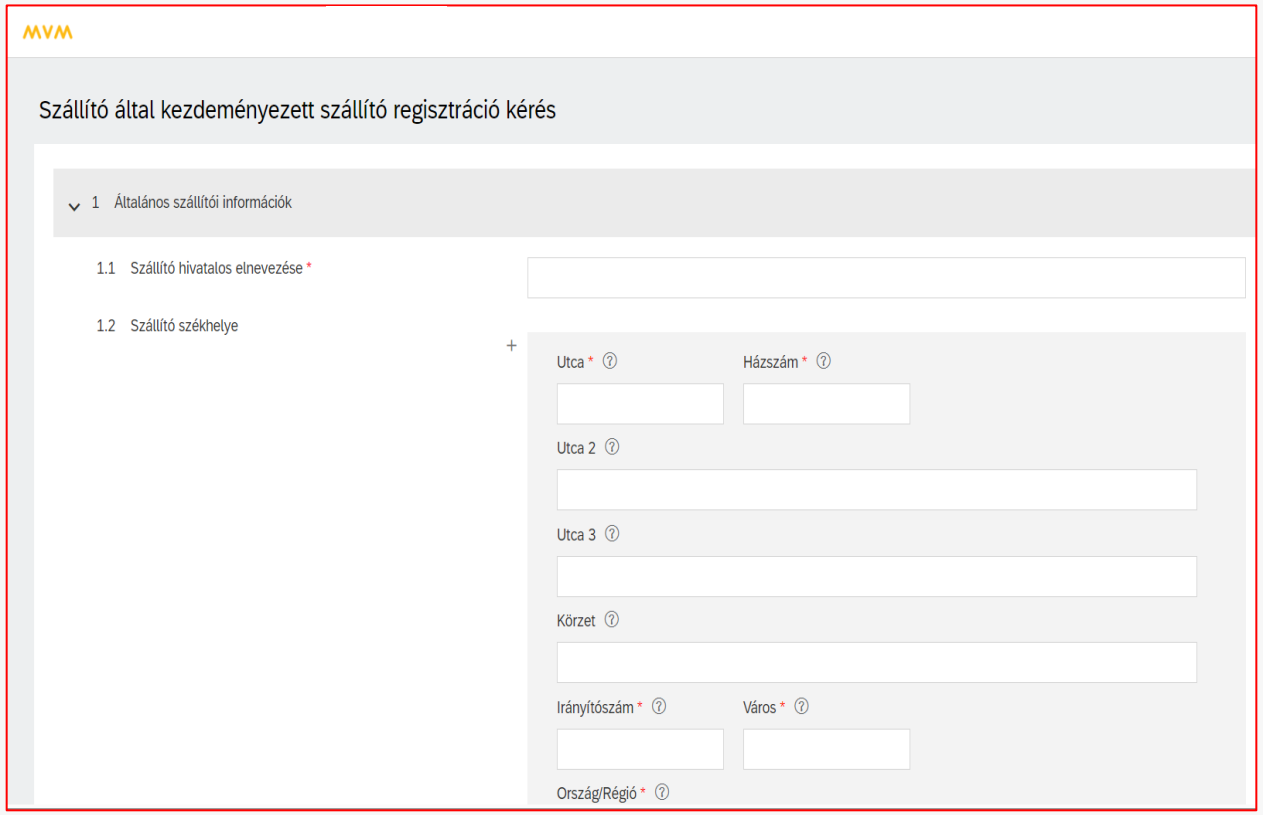
Supplier Self-Registration

Start Self-Registration

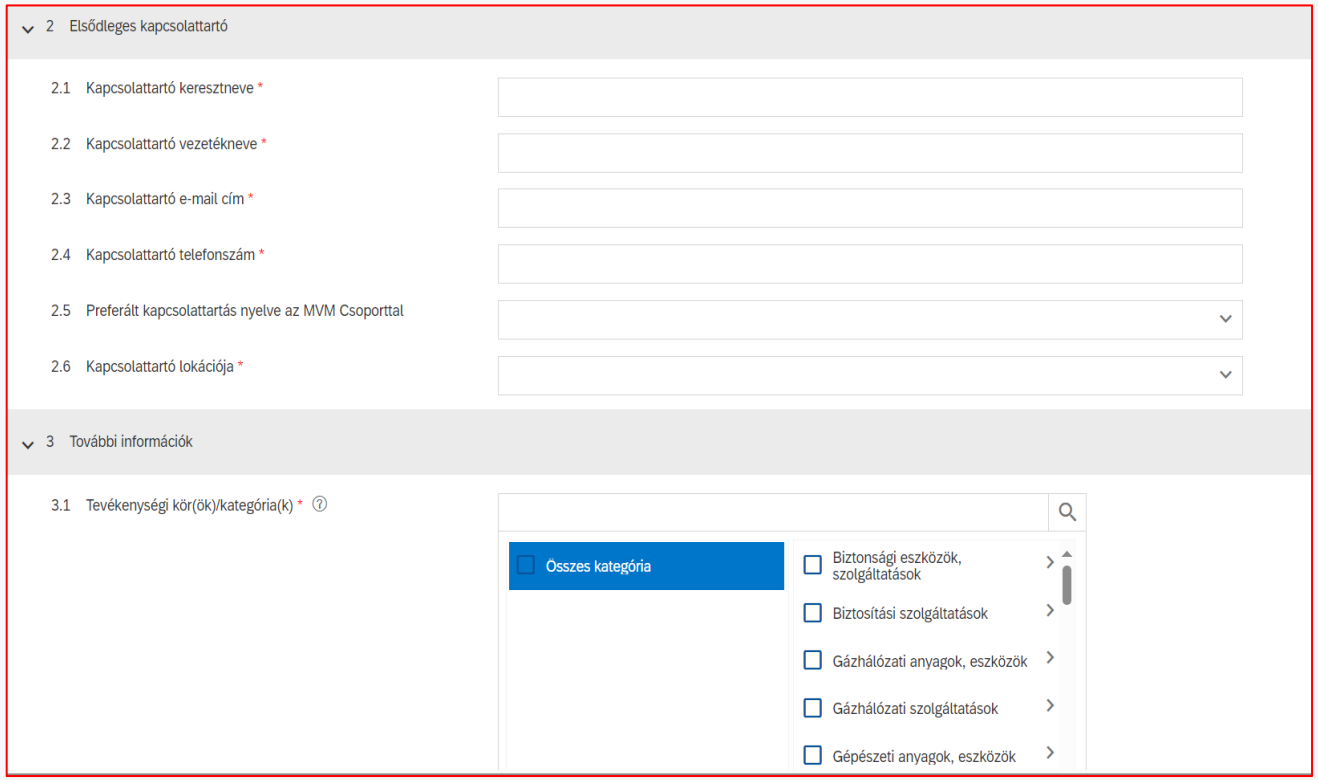
- If you would like to become a supplier for the MVM Group, please fill out our self-registration questionnaire, which can be accessed via the link below:
- http://MVM.sourcing-eu.ariba.com/ad/selfRegistration
- The questionnaire will appear in Hungarian or English based on the language set in your browser.
- Please ensure that you provide your information accurately!
- In the street field, you are also required to include street/avenue/square/etc. indicators.
- All fields marked with a red star are mandatory.



2

Provide Data

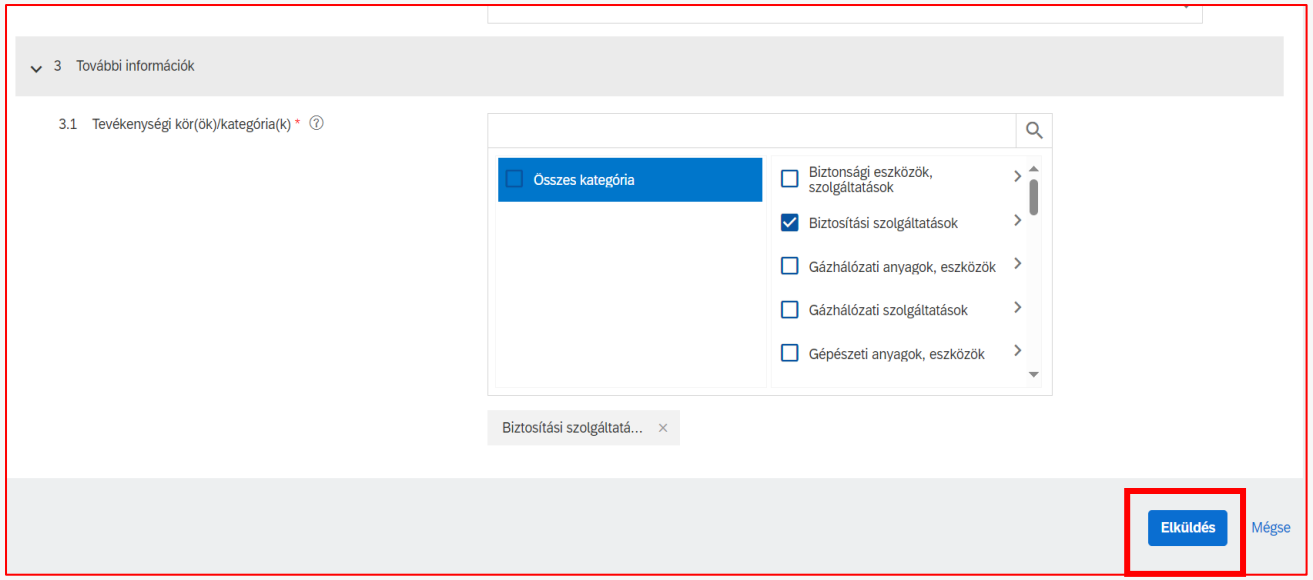
- When providing contact details, please avoid using central email addresses and phone numbers. If possible, provide the contact person and their details (phone number, email address) who will be in contact with the MVM Group during the request for proposal process.
- If you already have an Ariba Network account, please provide the email address associated with that account, which you would like the MVM Group's Ariba system to be linked to.
- Under the business activity section, you can indicate the category in which we can expect cooperation.
- Please do **NOT** select all categories.



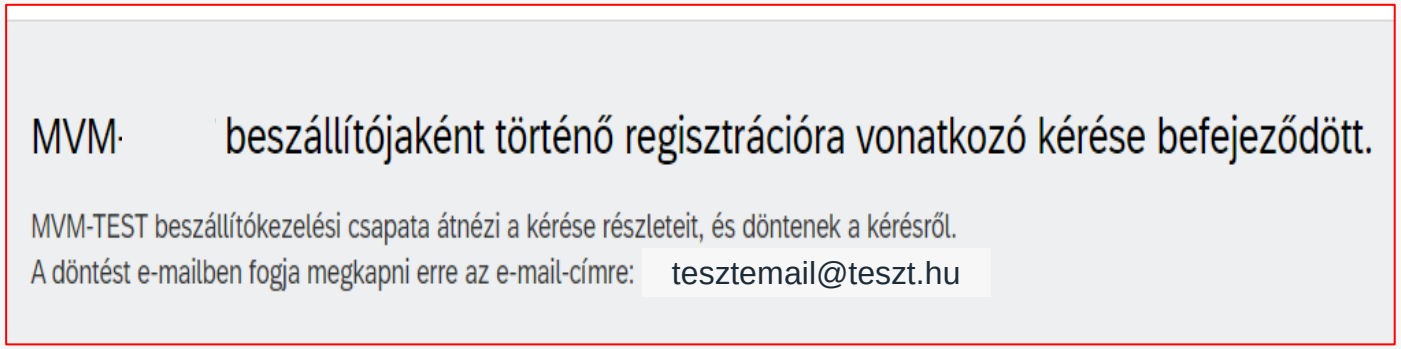
3

Submit Self-Registration

- If you have provided all the required information, you can submit the self-registration questionnaire to the MVM Group by clicking the submit button below.



- After submission, you can check at the top of the page to verify that your self-registration has been successfully sent to the MVM Group, and you can also double-check the email address where the confirmation will be sent.



E-mail Notification

- If you have received this email notification, we will send feedback regarding your registration request after the technical review.
- Once approved, you will receive our registration invitation from the Ariba system.
- You can find the guide for the next steps of the registration process at the following link:
