

INTEGRATED REPORT 2021

Economic and technical performance

8 million customers

With more than 8 million customers, MVM Group is one of the largest energy providers in Central Europe.

20,340 GWh electricity

In 2021, MVM Group generated 20,340 GWh of electrical and 5,040 TJ of thermal energy.

15,990 GWh production result

MVM Paks Nuclear Power Plant Ltd. closed 2021 with a 15,990 GWh total electricity output.

4,090 MW_e power capacity

The installed electrical capacity of our power plants was 4,090 MW_e in 2021, and our installed thermal capacity was 9,371 MW_{th}.

2,850.8 billion HUF sales

In 2021, the sales revenue of MVM Group amounted to HUF 2,850.8 billion, while the consolidated projects of MVM Group amounted to HUF 243.6 billion. In 2021, the total EBITDA of the Group was HUF 262.4 billion.

184 MW_e photovoltaic capacity

In 2021, the installed solar (PV) capacity of MVM Group increased by nearly 11% compared to 2020, reaching 184 MW_e. Thus, the electricity generated by solar energy meets the annual electricity demand of more than 165,000 people.

Environmental protection

78.5% carbon neutral

The electrical and thermal energy generated by MVM Group is nearly 78.5% carbon neutral.

88.5% recycling

We handed over 88.5% of our hazardous waste for recycling, and had the rest disposed.

1,500 e-charging points

In 2021, the number of customers of MVM Mobiliti Ltd. reached 40 thousand. MVM Group operates approximately 55% of the public e-charging network, i.e. 1,500 charging points.

244 GWh solar energy

The 244 GWh annual energy production of MVM Group's solar parks show a 15% increase compared to 2020.

6 million tonnes CO₂ saved

The amount of MVM Group's CO₂ savings is almost 6 million tonnes, calculated for carbon-free energy sources.

+2 hydroelectric power plants

In 2021, two hydroelectric power plants were added to the renewable generator portfolio of MVM Group.

Society and human resource policy

100 million HUF donation

MVM supported 21 NGOs with a total of HUF 100 million donation under the project called 'Élménynap'.

4 locations

MVM Group have established dual training centres at four locations across the country for sectoral training and societal engagement.

6. MVM ZENERGIA

The sixth MVM ZENERGIA concert was watched by around 3,000 spectators at the new venue and online. MVM has donated all ticket proceeds to charity in 2021.

10 Junior Prima award winners

With the support of MVM, young talents have been able to receive the Junior Prima Award in the Hungarian musical arts category for 14 years. Like every year, 10 award winners received the recognition and the financial support in 2021.

30 smart lamps

In 2021, ten schools have been awarded three outdoor smart lights in the MVM Smart School (MVM Okosiskola) online energy and sustainability competition.
